L-W Program, Staff And Pupils Win Commendation

Commendation of Lincoln-Way High School, its operation, and the administrative and teaching staffs, and the student body is given in a report to the office of State Superintendent Ray Page following an official visitation at the institution in the late spring.

A copy of the report, made by Morris Nooner Jr., assistant regional director of Region 1, has been received by Supt. A. Hunter Chapman and County Supt. Boyd Bucher and Asst. County Supt. James Wrath, accompanied Nooner on his inspection.

This spring there were 67 teachers at the school and 1,207 students.

"Mr. Chapman is a very capable administrator and well aware of the needs of the boys and girls of this district," Nooner's report begins. "He is assisted by an administrative assistant and a coordinator of instructional affairs. We felt that the administrative structure of the school was very satisfactory. Each of those assuming administrative responsibilities has a good outlook and up-to-date picture of the educational problems.

"The working relationships among the administration, teachers, and pupils are good and the school has a friendly atmosphere. Continuous efforts are being made to improve the total educational programs, facilities, equipment, and methods and techniques of instruction. We were provided every opportunity to observe and evaluate the educational program and facilities of this fine district. We were pleased to find the written

school board policies have been developed and updated. A good articulation program has been developed with the Lincoln-Way Teachers Association, offering leadership to the public and parochial elementary schools that send their graduates to Lincoln-Way High School.

"The curriculum being offered by this school district reflects good planning and cooperation between the administration and faculty," the report continues. "It is flexible enough to meet the needs of the students enrolled. An excellent central library is provided with a very fine selection of materials available so each student may have the opportunity for exploratory reading as well as resource materials for individual study. The instructional aids and materials were very satisfactory.

"The supervisory program of this school district has been well planned. The department chairmen have a responsibility of supervision as well as administrative personnel. . . . We were pleased to find a good vocational program is in effect in this school district. It is noteworthy that the new addition has made possible the institution of an auto-mechanics course. We were pleased to find that work space is being made available to each of the staff members, and that the instruction and scheduling is flexible enough that the needs of the individual students are being met. We felt that perhaps additional services in the area of school nursing might be met if a school nurse were employed by this district. . . . Continual planning is being effected

so that next year's program will include a developmental reading program as well as EMH (educable mentally handicapped) classes.

"There is a good, low, teacher-pupil ratio in existence in this school district. The discipline of this school system was outstanding. The visitors thought it was not a compelled nature but out of respect for the instructors, administration, and the school itself. We found that the rapport among the administration, staff and students was excellent."

The report also had praise for the work of the custodial staff and the fact that the school is frequently used for various community functions.

Nooner stated that he felt the money of the district was being spent wisely in the development of a quality educational program, but added that "as the assessed valuation is not increasing proportionately with the increasing enrollment. Consideration perhaps would be given to an additional tax referendum."

Early Deadline

With next Tuesday being the Fourth of July and a holiday, there is an early deadline this week for news and advertising.

Tomorrow -- Friday -- will be the same as Monday. Next week's paper will be delivered on Thursday, July 6, but it will be made up on Monday. Under the regular schedule these papers are made up on Tuesday.

Will Decorate Streets At Mokena For Fourth

In former years the Mokena Chamber of Commerce joined with the Lions Club in sponsoring the annual Fourth of July Festival at Mokena.

This year the Lions Club went it alone as at the beginning of the planning period

interest in the Chamber was at a low point.

Since then, however, the Chamber of Commerce has become revitalized as attested by the fact that the street decorations for the festival this year have been furnished by the Chamber.

Star spangled bunting and the United States flags will be suspended from 50 light poles, 40 of them along Front Street between Wolf Rd. and Division St. and 10 poles along Wolf Rd., between the Rock Island Crossing and LaPorte Rd.

At a meeting of the Chamber of Commerce last week, Arthur Melin, who is associated with the Mokena Pharmacy, urged that the organization do something about street decorations. The members voted to spend \$250 and Melin proved himself to be an able purchasing agent when he went to Chicago and arranged for delivery of the flags.

The decorations are to be installed Saturday as the Chamber's contribution to the annual Fourth of July celebration.

Cow Dies Of Rabies On Gr. Garden Farm

A cow owned by a Green Garden Township farmer died Friday, June 16 of rabies, something of a rarity, according to veterinarians.

Dr. James Nadler, Peotone veterinarian, said the cow owned by Harold Ullrich, was suddenly stricken with rabies with no prior symptoms of the disease.

The head of the cow was sent to the University of

Illinois College of Veterinary Medicine and the animal was found to be rabid.

Dr. Nadler said the cow probably had been bitten by a skunk, fox, or dog, which are known carriers of rabies.

The farmer, Harold Ullrich, his son Roger, and Dr. Nadler, all are submitting to the series of shots which prevent rabies in humans.

Lions Club To Stage Annual Three Day Carnival

The Mokena Lions Club will stage a gala three day carnival on July 2, 3 and 4 at the Community Park located on LaPorte road. Various organizations in the community will maintain booths for the entertainment of the public and rides will be available for the children. Climaxing the festivities is the awarding of a Ford Mustang by the Lions club.

Lion Don Wilson is general chairman and being assisted by the following committee: Arthur Omland, Al Billotti, Jack Miller, Don Schelgel, Jay Holladay, Norman Strassenburg and James Martie.

Festivities will open Sunday, July 2 at 2:30 p.m. with a little league ballgame with Mokena little league vs Arbury Hills.

On Monday, July 3 the park will open in the early evening when a teenage dance

will be held from 6 to 10 p.m. with music by the Pace Setters of Tinley Park.

A full day's schedule has been planned for Tuesday, July 4 starting with a parade featuring bands, floats, marching units etc. with Norval Robinson as parade marshal. Participants in the parade will form a line of march at the Carpenter street school and will march off at 10:30 a.m.

From 1 to 2:30 p.m. the local fireman will stage a waterball fight.

An auction will follow at 3 p.m. with Norman Strassenburg as auctioneer. Any person having items to donate to the auction may bring them to the park Sunday, Monday or Tuesday before the auction, it is said.

With the sale of the tickets for the main drawing purchaser are also given the opportunity to vote for con-

testants to be named Miss Teen Queen by receiving the largest number of votes. Who the lucky teenager is will be announced at the crowning of the queen at 8:30 p.m. The winner will receive a 16 x 20 oil painting of herself by Behnke Studios, Frankfort.

An elaborate fireworks display will be shown at 10 p.m. near the ball diamonds and around 11 p.m. the grand drawing will take place for the 1967 Ford Mustang.

During the three - days of events rides and booths will be open for the public.

General Chairman, Don Wilson, announces that a portion of the proceeds will be put in a trust fund for a six year old blind boy who lives in the Mokena area. One of the charitable duties of the local club is in sponsoring and supporting the Lions school for the blind and aiding anyone in their locality

who is sightless and in need of financial support.

The annual past - president's luncheon of the Mokena Woman's Club was held at Jardine's Restaurant on June 12. This was the final meeting of the year.

Two resignations were accepted with regret, Mrs. Timothy McGerty and Mrs. Robert Watson are moving from the Mokena area.

Mrs. John Weber gave the final report of the Happy Hour Kindergarten which was sponsored by the club for the past seven years. All remaining equipment was donated to the Mokena public schools and Trinity school. 35 books were given to the public library. Graduation was held May 31, with the board acting as hostesses. Mrs. Berle Needham, first president of the club and founder of the kindergarten, presented flowers to each of the children and a corsage to the teacher, Mrs. Marilyn Sievert.

Mrs. A.J. Bueltmann accepted the certificate of merit at Award's night at Tinley Park State Hospital. The club sponsors a ward at the hospital visiting once a month.

Mrs. John Robertson, Mrs. Berle Needham, and Mrs. Walter Welsch, will revise the by - laws for the club this summer. Mrs. Needham was appointed chairman of the historical committee which will look into the possibility of forming a museum in Mokena.

Past officers were thanked for their work during the year and presented with the floral centerpieces. They were Mrs. William Miller, Mrs. George Sangmeister, Mrs. Wilma Nixon and Mrs. Harold Beebe.

Mrs. Frank Doyle, chairman of the Mokena Woman's Club 4th. of July committee announced that Mother Goose Round - up sponsored by the club as their float in the parade this year will feature the following characters:

Mother, Goose, Lori Sievert; Little Boy Blue, Timmy Doyle; Peter, Peter, Pumpkin Eater, Dean Hunyady; Pumpkin Eater's Wife, Sheila Hunyady; Little Bo Peep, Lisa Mackey; Mary Had a Little Lamb, Betsy Holleman; Cat, Dog, Nancy Snyder; Dish, Lorrie Cady; Spoon, Karen Kreml, Humpty Dumpty, Bobby Best; Jack, Clark Richards; Jill, Mary Beth Ennis; Little Jack Horner, Matthew Beebe.

Anyone in the Mokena area wishing the Goodwill Industries truck to stop on July 13, must call Joliet, 815-722-5189 not later than June 29.

Members of the Evening Bells Homemakers Extension Unit will meet at Francis Field on July 3, at 7:30 p.m. with the 4 - H girls as hostesses. Anyone interested in what the 4 - H girls are doing are welcome to attend the meeting. Mrs. Emily Miller and Mrs. Ruth Neuls will be co - hostesses.

The monthly meeting of the Mokena Firemans Aux. was held at the firehouse on June 13, with 11 members and 3 guests present. The main subject of business for the meeting centered around the annual hard times dance and float for the fire prevention parade. Phyllis Koerner will secure the music. Cordie Bachmann will handle publicity and Beverley Hass tickets. The dance will be held on Nov. 4, at the VFW Hall. Prizes will be awarded.

After the meeting, refreshments were served by Tina Schultz and Carol Rauch.

Storytime will be held this Saturday, July 1, at the Mokena Library. Mrs. Elizabeth Beebe and Mrs. Rosemary Best will read the stories to the children, age three through first grade. This program is held the first and third Saturday of every month.

A Major Topic At Orland -- Planning

William Lawrence, city planner whose firm is to outline a master plan for the Orland Park area when a federal grant is forthcoming, has indicated he is willing to help now and is studying the building code, zoning ordinance, subdivision ordinance and the question of where best to locate multiple dwellings.

Until he has been hired on a formal basis in conjunction with a contract, Lawrence said he would accept \$100 a month to assist the village. The village trustees approved such an arrangement this week.

The board also adopted an ordinance submitted by the Chicago Sanitary District. It shows the route of the proposed interceptor sewer -- along the Southwest Highway from 139th St. to 143d, thence west to West Av., thence south to a line about 450 feet north of the center line of Huntington Court and thence west to where the present sewage treatment plant and pond are located. When the large in-

terceptor is completed there will be no need for a treatment plant at Orland. The sewage will be carried to central plant. The ordinance also outlines the responsibilities of the district and the village. The village gets a lot in return for very little, it was pointed out.

There was a slight mixup in the figures relative to the water requirements for the Imperial Chemical Co. plant, if and when it is built at Orland Park. The millions recently reported referred to cubic feet rather than gallons, it was explained in a letter to the village board. The plant will require 156,000 gallons of water for each of two 8-hour shifts, Village Engineer Mark Lovejoy reported he was informed, and said the village

water supply was ample for this and other demands.

How to get rid of this 312,000 gallons of wastewater a day presents a problem, he said, but believes it can be worked out. One course proposed is to carry the water off thru a ditch so it would not pass thru the sewers. This additional amount of waste water a day could crowd the sewers, it was said.

The sewers are intended to carry off wastes and not storm or surface water. While the water used at the chemical plant would not be surface or storm water it would be free of waste, it was said and could be carried off in a ditch because it would be clean, for practical purposes.

Robs Mokena Woman Of \$60 And Purse

Enroute home last Saturday morning, Mrs. Melvin Spiess, Mokena, was forced off the road by a motorist

she described as a tall negro, 25 to 30 years old.

The man then got into her car and took her car keys and purse. The purse contained about \$60, according to the report at the sheriff's office.

The man had left his car standing on U.S. 6. Mrs. Spiess persuaded him to move his car and when he did she leaped from the car and ran to a nearby home for help. The householder did not respond to her knocking but the man did not follow so after an interval Mrs. Spiess went out to the road and hailed a passing motorist who took her to New Lenox where she made a report of the incident to police there, who in turned called sheriff's deputies.

A search of the area resulted in the finding of the Spiess car keys but there was no trace of the purse. A motorist told county police of having seen a negro sitting in a white 1962 Pontiac that was standing along U.S. 6 near Gougar Rd. It was at Gougar that Mrs. Spiess was forced off the road.

Police suggest that all motorists keep their car doors locked at all times, in town or in the country, day as well as night.

Killer Employed At Frankfort

Howard N. Rekau, 41, of 311 W. 15th St., Chicago Heights, who killed two persons and wounded a third in a bank hold-up at Portage, Ind., before he himself was shot dead by police, was reportedly employed by a plastic firm at Frankfort last month, following his discharge May 1 from the Cook County mental hospital.

Dean Rodeghero Dies After Long Illness

Dean Rodeghero, 19, of Rt. 1, Mokena, died Friday, June 23, at Silver Cross Hospital, Joliet, following a lingering illness.

Born in Joliet, July 9, 1947, he had lived his entire life in Mokena. He was a 1965 graduate of Lincoln-Way High School and was a student at the University of Illinois, where he was a member of Sigma Pi fraternity.

Surviving are his father,

L-W Band Parents Meet Friday

The Lincoln-Way High School Band Parents have set up a working committee this summer charged with raising funds to pay off a loan that was necessary to finance the band's trip to Denver.

The Band Parents group was a couple of hundred dollars short of their goal when the time arrived for the band's departure so they made a bank loan to make up the amount needed. The group wants to pay this loan off before Sept. 1.

A special meeting of the Band Parents will be held tomorrow night (June 30) at 7:30 o'clock in the high school. At this time there will be a discussion of plans for raising the money.

Some believe that it could be done thru a combined sky diving and model rocket show. Such an event had been planned for May but adverse weather conditions on two week ends caused its cancellation.

A special invitation is sent out to parents of incoming

freshmen to attend tomorrow night's meeting. Further information may be obtained by calling Joseph Hammond, president of the Band Parents, at 485-8439.

Films of the Denver trip will be shown at the meeting tomorrow. Prior to the meeting William L. Hiller is

to demonstrate a remote controlled model plane.

Members of the special working committee are, Lois Ebert, Everett Knickerbocker, Patricia Guzik, Helen Puro, Lorraine Robinson, Fred Richards, Band Director, Robert Taylor and Hammond.

Building Continues In Orland Township

The village of Orland Park granted several building permits this week. One is for the parsonage of Christ Evangelical Lutheran Church, a brick and frame structure, to be erected at 147th St. and 94th Av. One permit, for a home at 146th and Highland Av., will be granted when the owner, Wilbur Walske, fills out the application.

Approval was given for another permit covering a house at 14980 West Av., providing the owner extends the watermain to serve the property. This is a lot that was not a part of a subdivision, it was said. The person selling the lot lives on one side. He has a well and is reported uninterested in providing city water service. The householder on the other side also has a well. It was reported that under the ordinance covering water and sewer service the village can outlaw wells when city water is available.

Cook County building permits have been granted for a single family residence at 15027 S. 81st Ct. for

Robert W. Wilkens, Midlothian, \$23,000; a residence at 149 Meadow Lane, owned and contracted by Frank M. Norton, 14912 S. 80th Av., Orland Township, \$29,000; a radio equipment shed on 151st St., a quarter mile west of Harlem Av. for Illinois Bell Telephone Co., \$8,000; a garage for James Ward at 8931 Chadbourn, \$1,600.

Twins Die In U.S. 6 Crash Near Marley

Three persons are dead as a result of a two-car collision about 11 p.m. Monday on U.S. 6 at Marley Rd. Two of the victims were twin brothers. They were in one car. The driver of the other car involved lived across the street from one of the brothers.

Lamarr Thompson, 57, of 853 Adler St., Joliet, was driving west on U.S. 6. With him was his brother, Lama, 57, of 201 Davis St. It was reported that they were returning to Joliet from Chicago. Both died instantly.

Driver of the other car was Jesse T. Edwards, 55, of 201 Davis St. He was traveling east, on his way to work.

State police said that Lamarr Thompson apparently lost control of his car and it went off the pavement, skidded along the shoulder and then shot across the highway meeting the east bound car head on.

Edwards was taken to Silver Cross Hospital, Joliet, where he died about 1 a.m. Tuesday.

Reports Action On Foundation Problem

The New Lenox Village Board is getting action in correcting certain conditions in the McTee subdivision at the southeast edge of the community. Village Attorney Wayne Johnson reported to the board last Wednesday night that he has been in touch with the attorney representing the McTee estate and he understands that the development is being taken over and the streets repaired, the weeds cut and empty foundations filled.

The village board was particularly concerned about the foundations because when heavy rains occur some of them store several inches of water and the trustees fear that some child might fall in and drown.

The board also plans to look into the cost of draining off surface water from the vicinity of 2d and Pine. This has been a problem for many years but village officials are hopeful of getting it solved. There is a ditch along there where a child could drown, it was pointed out.

Mayor Joseph E. Hartung has appointed Jacks Batson to represent the village board on a joint committee formed to interest industry in locating in New Lenox. Postmaster Les Brown represents the planning commission on the com-

mittee, and Max Greenly the Association of Commerce. Mayor Hartung also will serve.

The state highway department is to be asked to get culverts cleared along Cedar Rd.

Mayor Hartung reported that he is reviving the Civil Defense set up in New Lenox and will ask Stanley Ekedahl to take charge. The village sought information about the purchase of certain equipment and supplies from the Civil Defense surplus depot and was informed that it would have to have a proper Civil Defense surplus for it was eligible to make purchases.

Most villages in the area have been members of the civil defense organization but, it was pointed out, the regulations are subject to change and maintaining good standing in Civil Defense is difficult.

Sheldon Hauck, New Lenox business man is resigning from the village planning commission, Mayor Hartung told the board. There will be some other appointments to be made in September and terms designated, the mayor said, so Hauck's successor will not be named until then.

The next meeting of the board will be Wednesday of next week, July 5.

Arbury Hills

Baseball Takes Over The News This Week

MRS. EDWARD HOVI
Telephone: 479-5740

It has been a baseball week for us here in Arbury Hills in spite of the weather's determined effort to float our burg away.

The Colt team began their season in the Lincoln-Way league with a closely contested win over the New Lenox team at the Lincoln-Way field. The final score being six to five in our favor. Good show, boys!

The Pony team dropped two games last week, one being a closely contested match against Mokena with the final score being seven to five. The other game was a not so close loss to Manhattan by the score of ten to three. Better luck next time, fellows.

The A team had two games last week also, both against Mokena teams. On June 19 our boys played the Mokena Dodgers and the game was a jolly good rout, when Arbury Hills won by the score of eighteen to two. The second game on June 22 gave the spectators a well played game with Arbury making

two double plays. The final tally was two to zero in our favor. Great game for both sides.

The B team, managed by Don Rutan, played two games also last week; and lost both. The two games were played here at the home field. The first game during the week saw the Frankfort team defeat Arbury Hills by the score of eight to four, and the second game pitted two Arbury Hills teams against each other with the B team managed by Bud Cumbee defeating the Rutan team by the score of six to two.

The Cumbee team also played a second game with the Lincoln Estates team as opponents. Lincoln Estates was no match for our boys. Arbury came out on the long end of a fourteen to seven score.

The farm teams played an abbreviated schedule with one game being called off when the Frankfort team failed to show up for a game against the Len Gunty team. Gunty's boys still managed to get in one game against the Pierce team on Sunday

with the Gunty team winning after a late inning rally including a home run by Michael Tanis. The final score was eight to five.

The Joseph Mangan family on Hickory Street returned home over the week-end after a three week's tour of the west on their camping vacation. The trip included a three day stay with their eldest son, Greg, who is in service in the Navy in Calif. Following their visit with Greg, he was shipped out to Japan where he will be stationed for six months.

After the six months in Japan he will spend six months in Viet Nam and finish up with another six months in Japan before completing his tour of duty.

Still need leaders for all branches of Girl Scouts and a Cub Scoutmaster for the fall season. If you have any time to spare for the cause, please contact Mrs. Alice Kilgore at 479-5369 to volunteer your help to the Girl Scouts.

The Cub Scouts will need a Cub Scoutmaster due to the resignation of Fran Crones. If you have an interest in young boys and can give of your time, please contact Fran at 479-5038. There will also be the annual cry for den mothers. Ladies, it does require a certain amount of time, but it surely does serve a useful purpose.

grandparents will gather to
celebrate this day, who love
God, country and neighbor,
to show their remembrance
of the great struggle our for-
bears made to gain freedom
of this land. Marley picnics
hold a certain charm in sheer
simplicity, friendliness and
neighborly atmosphere. Un-
der the old majestic oak
trees, with the flag at ease
with the breezes will be a
setting which in this day is
seldom found.

Charcoal broiled steaks
will top the menu of the
picnic dinners which will
be served at noon. The re-
freshment stand will offer
pop and ice cream. Recrea-
tion and fun will be provided
for everyone.

The Twelve Trumps will
meet at 8:00 p.m. on July
11 at the home of Mrs. Henry
Volz.

Mrs. William Boys,
daughter of Mr. and Mrs.
Herman Benck, has return-
ed to the Lockport area af-
ter a ten month stay in
Nigeria, West Africa.

Mrs. Boys was one of 55
wives and children of the
Lutheran Mission who were
evacuated due to the Nigeri-
an political situation.

Mrs. Charles Elliott en-
tertained the Afternoon Study
Circle of the Palos Park
Presbyterian Church, in her
home on June 21.

Mrs. Harry Hull and son
Robbie have returned to their
home in Pittsburgh, Pa., af-
ter spending several days in
the home of Mrs. Hull's
father, James D. Frazer.

Miss Verda Jo Sass is
spending a few weeks with
her sister and family. Mr.

Church Sponsored Scout Troop To Attend Council

MRS. DOLORES ANDERSON
Telephone: 485-2365

Eleven boys of Boy Scout troop 12, sponsored by the Trinity Lutheran church, enjoyed a few days campout this past week at the Ted Walker farm, where they passed requirements for 1st and 2nd class scouts. The boys hiked out to the campsite. They are: Mike Ryan, Terry Fellers, Dennis and Rollie Cagwin, Ricky Johnson, Steve Friant, Richard Koller, Richard Mead, Greg Shinneman, Scott Killinger, and Bill Krohn. James Ryan, scoutmaster and Richard Koller, assistant scoutmaster, accompanied the boys.

Five of the boys of the troop will go to Morris this week where they will spend the week in Junior Leader Camp at Rainbow Council Scout Reservation. The boys, Bill Krohn, Terry Feller, Steve Friant, Richard Koller and Mike Ryan will return home Friday.

The Goodwill Truck from Chicago will be in New Lenox

July 13, and 27, picking up repairable articles of clothing, appliances, and small household furnishings. Anyone wishing the truck to stop on the 13, should dial 722-5189, not later than June 29, as Mrs. Sebben will leave on vacation July 1, for two weeks.

The New Lenox Garden Club will meet Thursday, July 6, at the Lions Den at 1 p.m. The program will be a demonstration on Table Settings by Mrs. John (Dorothy) Cryder of Plainfield. Board members will be hostesses.

Jon Davis has returned home from Michigan State University where he completed his sophomore year of study, and will spend the summer months here with his parents, Mr. and Mrs. O.C. Davis.

Trinity Lutheran Church has added another Church service for the summer months of June, July and

August. An early service will be held at 8 a.m., as well as the regularly scheduled service at 10:30 a.m. Sunday school is at 9:15 a.m.

Emil Rechkemer, S. Cedar Road, has returned home from Silver Cross hospital where he was a medical patient for several days.

Mr. and Mrs. Thomas K. Otis, and Mr. and Mrs. Wesley Jones motored to Camp Guernsey, at Guernsey, Wyo. where Mr. Jones will spend two weeks at summer camp with the Army Reserves. Enroute to the Camp, they visited the Badlands, Black Hills, Mt. Rushmore, Wind Cave National Park, and toured Rocky Mountain National Park. The Otis' and Mrs. Jones have returned home, and Mr. Jones will fly home after his reserve training.

Darold Engel, son of Mr. and Mrs. Henry Engel, Cedar Road, who just completed his sophomore year at Southern

Illinois University, made the Deans list, for both the winter and spring quarter with an average of 4.8 out of a possible 5. His grade listings were four A's and one B.

Mr. and Mrs. Charles Ball entertained at an open house last week for their daughters, Pamela, who recently graduated from Lincoln-Way High, and for Vickie who graduated from Oakview school. Their son Airman 2/C Roger Ball has also been home on a 30 day leave from Travis AFB in Calif.

Mr. and Mrs. O.C. Davis and Jon have returned home from Montreal, Canada, where they visited Expo 67. They returned home by way of Vermont, New Hampshire, and visited with friends, Mr. and Mrs. Lu DeShong, at New Haven, Conn. The DeShongs are former New Lenox residents.

Miss Colleen Buckler is attending a Year Book Editors workshop at Northern Illinois University at DeKalb this week. She will be editor of the Lincoln Way year book next year.

The Willow Run Ladies club met last week for their Chip and Putt contest, and winners were, June Epplheimer, Danny Scott, Pearl Jardine, and Mary Young. In this weeks Criers Tourney, winners were: A. flight, Helen Churchill; B. flight, Orlean Collins, and C. flight, Mary Jo Jeffers.

Mr. and Mrs. Gerald Shreffler, and Mr. and Mrs. William Neills, have returned home from Kings Inn, on Grand Bahama Island at Freeport, in the Bahama Islands, where they spent a few days vacation.

Mr. and Mrs. Jack Batson and daughter JoAnn, have returned home from a two weeks vacation. They spent several days with their son Airman 3/C David Batson, who is stationed at Moody Air Force Base near Valdosta, Ga. They also visited with Mrs. Hazel Roch, and Mrs. Ramona Hyatt and children Leslie and Phillip at Winter Park, Fla.; and with Mr. and Mrs. Earl Strasberg and Emma on Big Bear Lake at Apopka, Fla. The Roths and Strasbergs are all former New Lenox residents.

New books available to adult readers at the New Lenox Library are: Murder in Our Midst, by Christie; Fahrenheit 451, by Bradbury; King of the Castle by Victory Holt; The Arrangement, Kazan; Son of Rhubarb, Smith; Sanctuary, Swinnerton; Silverhill, Whitney; and eleven books of light romance.

There are 300 books for the children grades 1 to 8,

borrowed from the State Library for a short period.

There have been 12 or more children attending the Story Hour held each Wednesday from 1 to 2 p.m. More can be accommodated.

It is not too late to join the Busy Bee Reading Club. Some of the children have already received pins.

Mr. and Mrs. Ernest Oram were host and hostess to a dinner June 25 at Bruns Restaurant. The occasion was the 40th Anniversary of Mrs. Orams sister and husband, the Howard Brookers of Joliet. The guest list included Mr. and Mrs. E. Robert Oram and children Donald, Keith, and Cynthia; Mr. and Mrs. Ronald Crawford and children Ronald Jr., Kevin and Julie of Manhattan. Also present were Mr. and Mrs. John Crosson and daughter Joy of Paintsville, Ky. and Mr. and Mrs. Ben Fowler of Joliet.

One hundred forty-four scouts, 40 adults, and 48 nursery children, of the Tri-Kena Neighborhood group are planning to attend the annual Day Camp "Ponderosa" to be held this year at Van Horn Woods on Wolf Road, near Mokena, from July 10 through 14. The five day camp hours will be from 9 a.m. to 3 p.m. each day, and they will be taken to the camp site on buses. Theme for the camp this year will be "Pioneer Days".

Joe Arcuri's Boy Scout troop from Arbury Hills will assist this year with the nursery department in craft work, hiking and nature work.

The working committee in charge of the camp are: Director, Mrs. Lee Gericke; assistant director, Mrs. Ernest Taylor; Business manager, Mrs. Ralph Snow; Recruiter, Mrs. Robert Matteo; Buyer, Mrs. John Lavezzi; Assistant Buyer, Mrs. Robert Shryock; Equipment, Mrs. Edward Chladek; Assistant, Mrs. James Ott; Site and Shelter, Mrs. Ray Harmon; Health and Safety, Mrs. Lyman Teague; Advisor, Mrs. Ed Townsend.

The women who volunteered to help at camp, attended a three weeks training session during April and May.

Girls are asked to please be prompt. For any further information, call Mrs. Lee Gericke, 469-5311.

The Lincoln Way Chapter of the Future Farmers of America was represented at the 39th Annual Convention of the Illinois Association of the Future Farmers of America which was held at the University of Illinois at Urbana on June 13, 14, and 15. Attending the convention were Bill Yapp and Dale Morrison as the Delegates and Chris Schaefer and Marilyn Hicks as the Alternates. Other Chapter members attending the convention from Lincoln Way were John Chestnut Jr. and Dennis Schoeling.

Advisors attending the convention were Mr. D. Bitting, Mr. E. Wagner, and Mr. J. Chaffer. Transportation was furnished by Mr. Bitting and Mr. Chaffer. Mrs. C. Paska attended as a chaperone for the girls.

Lincoln Way chapter was honored this year to have three of its members raised to the degree of State Farmer. In order to be eligible for this degree the members must have completed three years of vocational agriculture, have earned a profit of at least \$500 from their experience program, and hold the degree of Chapter Farmer. Even then only 2% of the total membership can receive the degree. This year Lincoln Way was proud to have John Chestnut Jr., Dennis Schoeling, and Dale Morrison receive the degree.

Vacation season is well upon us and that poses a problem for folks with valuable house plants or landscaping. For long extended vacation that are over two weeks in length, you should not rely on anything less than a plant sitter who will keep the house plants or shrubs on their usual water and fertilizer schedule. In addition for house plants try to maintain the same light conditions that the plant receives throughout the year.

For short vacations, those of two weeks or less, there are some stop gap measures that are helpful. However, it's questionable if the well popularized wick in the pot method is satisfactory. Installation of the wick for a few days causes disturb-

ance of the roots and water applied in this manner causes a build up of soluble salts which are harmful to the plant. These are the same salts or calcium deposits that form in a tea-kettle.

Here is a technique for plant sitting that can be used to advantage. Soak your plants thoroughly the night before you leave. To do this, place the plants in a few inches of water in a pan. If there are a number of plants, use your bathtub.

In the morning, just before you leave, remove the plants from the water and place them in plastic bags. For a large number of plants, place them close together and put a large plastic bag over them. Dry cleaners bags work fine. Tuck the bag under the pots so the plants will be entirely under the bag.

There is one important

precaution to observe. Do not place your plastic bagged plants so they will at any time be in the sun. The sun will raise the temperature so high that your plants will be cooked before your return. Just place them in a shady spot, or away from the sun in the basement.

When you return home, there may be a few yellowed leaves on the plants. This is not serious. With proper care and light they will soon return to their full vigor.

While conserving moisture on your houseplants you can also take some precautions for your trees and shrubs. So far we have had more than enough moisture. However, later a hot, dry summer could be hard on your trees, shrubs and foundations plantings. Especially those that were just planted this spring.

You can conserve soil moisture around these valuable plants by applying a mulch. A mulch is an insulating layer of material placed over the soil. Water passes through it freely, but because the soil is kept cool, little of the soil moisture is lost by evaporation. There are many types of mulches

to choose from. They may range from clean white pebbles and peat moss to wood chips. If you do use wood chips though, you'll need to add extra fertilizer that's high in nitrogen. About one to two pounds of fertilizer

to each one hundred pounds of mulch is about right.

In addition to keeping the soil cool and moist there's another advantage to applying a mulch. It reduces the number weeds that develop.

So vacationers can conserve the moisture of their houseplants by bagging in plastic and their shrubs by covering the surrounding soil with a mulch.

Soil Group Has Slides Available

The Will-South Cook Soil and Water Conservation District has a set of 53 colored slides, entitled, "America The Beautiful", which illustrate the beauty of America as reflected in its agricultural land.

By establishing sound conservation measures, farmers, ranchers, and other landowners enhance the beauty of the countryside as they protect and develop land and water resources for present and future generations of Americans, a spokesman said. This beauty of America is vividly shown in these colored slides, which represent each state plus Puerto Rico and the Virgin Islands.

This "America The Beautiful" presentation with the script, is available, free of charge, to anyone interested, from the Will-South Cook Soil and Water Conservation District office at 100 Manhattan Road, Joliet. The telephone number is 723-5078.

glad to have him home.

I want to take time to compliment the Burk boys for a real fine job cutting the grass on the playground and now maybe you kids can get back to playing baseball again and this time we might even have some more games with other teams.

the people from this area go there to see them.

The sadness in the hearts of the people of Tinley Gardens can only be eclipsed by the generosity of the community and this does not mean only in the monetary end. Almost at the same time as Johnny Lee Burk was being pronounced dead at Silver Cross hospital our Mr. Robert M. Bechtel (my father-in-law) was being admitted with what turned out to be a fatal stroke and he passed on Tuesday morning. The people of Tinley Gardens went all out in their help with the Burke family in every way (donations, preparation of food, floral pieces, visitation at funeral parlor, etc.) and I am proud of the way that they took care of their every want or need during this time of sorrow. In the case of Mr. Bechtel the conditions were different but the enthusiasm was the same and the end result was the same. I would like to thank the entire community for their endless and trying efforts to make this time easier for the two families. I would also like to announce that my son Airman 3rd Class James H. Peyton Jr. was allowed a 20 day leave to attend the funeral of his grandfather and we are all

The next regular meeting of the Tinley Gardens Homeowners Assoc. will be held on July 10, instead of the first Monday of the month due to the holiday.

FROM THE Hirsch's

Dear Friends,

As the "4th" approaches, it becomes clear that our founding father's foresight and vision were indeed great.

Independence day and the resultant Bill of Rights give us many guarantees of the personal liberties that people in many other countries would indeed be grateful for.

Sincerely,

Sentence Last In Ring Convicted Of Automobile Thefts

(CNS) The last six members of a convicted interstate auto theft ring believed to have stolen over 125 new cars since 1964 and disposed of them after changing serial numbers and obtaining false titles, were sentenced to jail

terms Thursday.

U.S. District Judge Alexander J. Napoli imposed sentences of five years and \$1,000 fine against three alleged ringleaders: Herman David, 78 years old, 14823 Grant, Dolton, a convicted

bootlegger known as "Motorcycle Mike" in his younger days from delivering booze on a motorcycle, and his two sons, Robert, 44, and Orland, 46, of 435 Locust, Frankfort.

Sentences of three years and \$1,000 fine went to three others: Albert Tocco, 37, of 20508 Dutra st., Chicago Heights; Joseph Iatarola, 41, owner of the Rocket Service Center, 6615 Hemlock, Gary; and George Nasse, 33, of Youngstown, O.

They were convicted by a jury several weeks ago. All were allowed to remain on bond pending appeal despite a plea by Assistant U.S. Attorney Robert Weber that their bonds be canceled because of "threats to witnesses" and "the safety of the community."

Nineteen were originally indicted in two separate cases. Six pleaded guilty and five were found not guilty. Three of the defendants testified for the government.

Mokena Chief To Dispose Of Three Bikes

Mokena's police chief, Roy Newton, is holding three bicycles that apparently were abandoned. Two of them are for girls, one for a boy. They were picked up about three weeks ago. After 30 days such bikes are taken over by the police department and either sold, given away or destroyed, depending upon their condition.

Chief Newton also is asking parents to urge their children who ride bicycles to ask police for a set of instructions covering the use of bicycles. Bike riders are governed by the same laws that apply to motorists, Newton pointed out.

Mosquitos Are Coming!

The mosquitos are coming!

Health authorities say billions of the pests will be attacking this week end, and for days to come.

The rains have not only hatched this year's crop but mosquito larvae that have lain dormant for several years are now coming to life.

Get yourself a couple of bottles of insect repellent and use it, is the advice of health people.

L-W Refund On Bus Costs Is \$17,462

The Lincoln - Way Board of Education, during the regular meeting, reviewed the various required state reports annually submitted for reimbursement. The claim for transportation amounted to \$17,462.88 representing 1,091 students passengers or \$16 per student. Net operating cost for the year amounted to \$39,959.38, plus \$4,365.56 for the extra curricular mileage. The Lincoln - Way buses travelled a total of 97,291 miles during the school year.

All buses are owned by the district, representing a present value of approximately \$85,000.

Mrs. Link Heads Regional School Board Group

Mrs. Oren Link of Lincoln - Estates and member of the Lincoln - Way Board of Education was elected Regional President of the Three Rivers Divisions of the Illinois School Board Association. The Divisional officers and board representation recently met in Kankakee where the election was held. All member schools in the four counties of Kendall, Grundy, Kankakee, and Will comprise the Association Division.

Mrs. Link has served five years on the Lincoln - Way Board of Education, completing one year as president of the board, and presently

is the board's secretary. She is also a member of the Lincoln - Way Special Education Board for the operation of these new programs in the Lincoln - Way area schools.

Mrs. Link is a graduate of Chicago Teachers College, and received her masters degree from the University of Chicago. She has taught 21 years in the Chicago school system and presently is on the staff of the Mt. Greenwood school.

Last week end all newly elected officers of the I.S.B.A. attended a workshop in Springfield to make plans for their fall meetings and annual convention.

Street Contracts At Mokena Up For Letting This Week

The Mokena Village Board was scheduled to award contracts for street improvement work at its regular meeting last night.

Bids received at the meeting June 21 were turned over to the village engineer and village attorney for tabulation and report.

The bids were: Blacktop Paving, Joliet, Groups I, \$3,244; Group II, \$2,554; Group III, no bid; Persico Paving Co., Joliet, Group I, \$2,412; Group II, \$2,424; Group III, no bid; Trygg Paving Co., Joliet, Group I, \$3,162; Group II, \$2,408; Group III, no bid; Blaine Saxton, Mokena, Groups I and II, no bid; Group III, \$1,870.

Trustee Roy Richardson is to compile a list of vacant lot owners who are usually negligent in keeping the weeds cut. Richardson will arrange to have the lots cut and the owners billed.

His insurance company has refused to pay his claims for damage to appliances and material in his basement as a result of flooding from overflow from the village water storage tank, William Pom-

mering told the village board last week so he is asking reimbursement from the village. Action was held up pending study of the claim by Village Attorney Gerald Galowich, and preparation of releases. The village is planning to change direction of pipes on the water tank so in the event of an overflow the water will run off into Front St. instead of on adjacent property.

The fire department is asking the village board to change the position of the alarm sirens. The old siren, formerly in use, is still situated at the top of the water storage tank. The new siren, which was purchased thru the civil defense set up, is on top of a pole alongside the village hall, about 30 feet lower than the water tank. Firemen would like to have the siren elevated to the top of the water tank. Too many members of the department complain they are unable to hear the siren now. Fire Chief Robert Rust hopes that the greater elevation will give the sound a greater range.

Rabies Control Act Penalty In Effect

Pet owners who have let a year go by without having them inoculated against rabies will be assessed a penalty of \$1, according to Dr. Lowell M. Webb, of New Lenox, veterinarian who heads the rabies control program in Will County.

June 26--last Monday that was--was the date when warning tickets were to be supplanted by the real ones, the one with the \$1 penalty.

This penalty must be paid to the veterinarian to whom a person takes his dog for an anti-rabies shot, and the veterinarian turns it in to the county control program.

There is no special date for one to observe. The state law, Dr. Webb said, requires a dog owner to have the animal inoculated against rabies once a year. For example: Owner A had his dog inoculated July 1, 1966. He has until June 30, this year to have it inoculated again without penalty. If he waits until after July 1, he has the penalty to pay.

Anti-rabies shots are \$5, which includes \$1 for the tag that shows the animal has been inoculated. If there is a penalty the charge is then \$6, Dr. Webb explained.

\$1639⁰⁰

What's the catch?
There isn't any.
\$1639 is the suggested retail price at the port of entry for the VW Sedan.
The price includes federal excise tax and import duty.
It includes the built-in heater/defroster, windshield washer, electric windshield wipers and dual padded sun visors.
It's the price of the real thing; not a stripped-down economy model.
What else do you have to pay?
The charge for transporting the car from the port of entry. The dealer delivery charge.
And local sales tax.
There is one optional that makes a lot of sense: the matching leatherette upholstery, for \$30.00 extra. Nearly everyone orders it because it eliminates the need for slip covers. And that's it.
(Unless, of course, you count the cost of gas and oil it takes you to get here in your present car.)
Now at our new location . . .
